## **Amazing 11 Year Bus Lane Safety Record**

# **Zero!**

## **Incidents**

**Save Our Buses decided to check the safety record of the Lea Bridge Road bus lanes. Transport For London provides the perfect tool for research. The London Collision Map collates information for roads across the capital and covers every year since 2005.**

**We found that there was no recorded incident involving a cyclist and a bus in the operational bus lanes for an eleven year period.**

## **An amazing achievement for Cyclists and TfL Bus Drivers on Lea Bridge Road**
