The London Borough Of Waltham Forest has switched priority away from public transport.

Journeys for commuters on routes 48, 55 & 56 are delayed.

The 48 bus to Walthamstow Central beats the jams on Lea Bridge Road. Priority lanes keep buses and cyclists moving past the traffic.

Commuters on routes 48, 55 and 56 stuck in traffic. A cycle path replaces the bus lane. Priority for public transport is axed.
