

48 to Walthamstow Central

On Friday, 20th May, at the start of the evening rush hour, Save Our Buses (SOB) checked out the busy 48 bus in two locations.

Just after 4.00pm on Hoe Street, buses were already stuck in a jam.

On Lea Bridge Road the Eastbound bus lane kept buses moving. Route 48 passengers were whisked past traffic queues towards Markhouse Road.

Incredibly, Waltham Forest Council plans to remove the bus lane shown above.

Axing bus lanes undermines the most **Inclusive and **Accessible** means of public transport.**
