

Waltham Forest Council's Scheme

would **INCREASE** bus journey times on Lea Bridge Road

Borough & TfL appear to differ on impact of Lea Bridge Road scheme on bus journey times:

The Council's use of TfL modelling to back up their plans provides one view .

"Bus lane operational times will remain the same and we anticipate, through TfL modelling, that the average bus journey time will not be impacted by the changes to bus lanes."

*Lea Bridge Road – A Street For Everyone
LBWF Public Consultation Document*

Correspondence between Transport For London (TfL) and Save Our Buses reveals a rather different picture.

"....bus journey times along Lea Bridge Road will increase....."
