

Transport For London On The Right Route

TfL's recent boost to route W16 brings:

- ✓ Smart new buses - better for our environment
- ✓ Sunday daytime frequency increase
- ✓ Full Monday to Saturday timetable restored
- ✓ Measures to improve reliability

SOB welcomes London Mayor Sadiq Khan's plans to develop Green Bus Zones. Leyton is one area set to benefit as less polluting vehicles hit the roads. It's good to see the W16 leading the way.

Greener, cleaner public transport – Just the ticket
