

W18 Chingford to Walthamstow Central

Just The Ticket

In response to a Transport For London (TfL) consultation, Save Our Buses (SOB) suggested rebranding bus 385 (Chingford Station - Crooked Billet) as a new W18 route. A more frequent daily service would be *Just The Ticket* to replace the current, limited 70 minute daytime schedule.

Bus chiefs want to reroute the W11 (Chingford Hall Estate - Walthamstow) via Blackhorse Road but this would lead to much longer journeys for existing passengers heading into Walthamstow town centre.

SOB's proposed new W18 route would be extended to Walthamstow Central, improve commuter links and serve new developments in the Blackhorse Road area. It offers additional capacity while retaining the more direct service to Walthamstow for W11 passengers.

SOB's Proposed Route:

Chingford Station
Kings Head Hill
Valley Side
Waltham Way
Chingford Mount
Crooked Billet - Sainsburys
Billet Road
Higham Hill Road
Forest Road
Blackhorse Road Stn
St James Street Stn
South Grove
Selborne Road
Walthamstow
Central - Bus Station

SOB's new W18 proposal would:

- Improve the service to Valley Side & Waltham Way.
- Introduce new commuter links to Blackhorse Road & St James Street stations from Higham Hill Road.
- Provide an extra service to the Western end of Walthamstow High Street.
- Create additional capacity along Billet Road to assist routes W11 and 158.
- Offer new daily shopping & commuter links from Kings Head Hill and Waltham Way in Chingford.
- Serve new housing developments at Blackhorse Road.
