

## Streets Ahead In The Bus Lane

- Bus 55 to Oxford Circus sails past near stationary traffic during the morning rush hour on Thursday 21<sup>st</sup> January 2016

**For more than 20 years the Lea Bridge Road bus lanes have helped passengers beat the jams.**

**Waltham Forest Council's proposals for Lea Bridge Road would see the above section of bus lane axed.**

**The photo was taken on Thursday 21<sup>st</sup> January 2016 at 9.42am, towards the end of the morning rush hour. It shows the view back from Vicarage Road towards the Bakers Arms.**

**Almost stationary traffic was queued back to Shortlands Road, through most of the operational period of the bus lanes.**

***Question for the London Borough Of Waltham Forest:***

**How will passengers benefit from the removal of this bus lane?**
